

In the Entire  
Bible, There is  
no name  
written about  
any church but  
the Church of  
the devil.

In the Entire Bible, There is no name written about any church but the Church of the devil.

Truth sometime can be shocking. Did you know this truth, The name "church" is a name of blasphemy because the false name "church' is mistranslated into your most popular Bibles from the true Bible name "Ekklesia." Churches are the main cause of division and it is the churches that divides the Saints of God and it is churches that stops the Saints of God from multiplying by the millions.

The only "Church" you will find written about in the entire ancient languages of the Bible is "The Church of The Devil." God did not establish a Church He only established His Ekklesia. The name Ekklesia is written throughout the Greek Old Testament Greek Septuagint and in the New Testament. The purpose of the Ekklesia is nothing like any true Church. One of the most important functions of The Ekklesia is established by God as a Council or a court is to be aggressive in hot militant warfare to protect truth in the word of God and to keep the Saints of God united. "Ekklesia" is designed to aggressively in hot militant warfare protect truth in the power of the Gospel of God to convince the most doubtful the Bible is from God. When Ekklesia exist, like in the first three hundred years the Saints of God were multiplying by the millions. When in the early fourth century Constantine started the Catholic church, he stopped Ekklesia (the Latin Ecclesiam) and this change to a church allowed false teaching that stopped the fast multiplying of the Saints.

The first written name "Ekklesia" is found in the most ancient copy of the Greek Septuagint in book of Genesis 49:5.

Genesis {49:5} Simeon and Levi are brethren; Weapons of violence are their swords.

{49:6} O my soul, come not you into their council; Unto their Ekklesia, my glory, you be not united; For in their anger they slew a man, And in their self-will they hocked an ox. {49:7} A cursed be their anger, for it was fierce; And their wrath, for it was cruel: I will divide them in Jacob, And scatter them in Israel.

{49:5} Simeon and Levi are brethren; Weapons of violence are their swords.

Jacob is describing precisely what a Catholic church is. Millions of professing Christians were tortured and killed by the Catholic church, Weapons of violence is their sword of the Catholic church and their sword is not the word of God. Come not into their council or court of the catholic or protestant churches because if you do you will surely be put to death after an ordeal of torture. Churches divide by teaching thousands of different church doctrines (instruction, all opposing and different Churches are all making the false claim to be teaching the only true instructions from God).

Now some copies of the Septuagint they will remove the name Ekklesia from this record so you will never know that in the first century the writers of the New Testament

made reference to the Ekklesia of God in the old Testament Septuagint.

Take careful note the name definition of 'Ekklesia' in the above verse (49:5), the very first use of the name Ekklesia of God is making reference to a council or a court that is designed by God to unite the people of God. Take note, the People as a jury in this court is established by God to stop the Saints of God from dividing but the Court of Simeon and Levi is a farce and will only cause division. We prove to you that the Ekklesia of Christ is established by God before He Laid the foundations of the earth. The Ekklesia is established by God for the Saints of God to keep the Saints united in truth through spiritual warfare (Polemic debate). When some one is teaching false instructions from God (false doctrine) (see Acts chapter 15) then take the matter of dispute before the entire Ekklesia and then the entire Ekklesia deliberate before the court of the Ekklesia and then the entire Ekklesia decides what truth is and all the Ekklesia will abide by the decisions made by the majority. This is how our Ekklesia Bible should be Translated, call out the entire Ekklesia, deliberate every dispute before all, then all decide together to make certain we have only truth in our Bible translations.

What is so amazing churches are pointing the finger at one another and both are accusing one another for changing their "Lord's day" when the fact is, most do not know, because of false Bible translations, what the true Lord's day is. It was the rulers of the mother of all churches, the

Catholic church that has changed the Lord's Day from the Day Mia or "day one" to a solar day of Sunday.

The Bible does teach in prophecy, that there will be "Saints of God" -in some churches but "the saints of God that are in true churches," they are warned that they are deceived by the disciples of the devil. Daniel gives warning, God will give the deceived Saints that are in -true Churches over to the hand of their deceiver. We can become a "Saint" but we as saints of God, can become a deceived Saint. When we become a deceived Saint we will be placed by God into the hand of our deceiver until we study scripture, learn truth, and then repent of all our deceptions about important instructions from God.

Notice this prophecy of Daniel about how Some Saints of God will be deceived.

Daniel {7:25} And he [the eleventh horn] shall speak [blasphemous] words against the Most High, and shall wear out the saints of the Most High; and he shall think to change the set times [to worship] and the laws [of the most high]; and they [the deceived] shall be given into his hand [the wicked ruler or eleventh horn] until a time and times and half a time. {7:26} But the court [of Ekklesia] shall be set, and they [the Saints] shall take away his dominion [to deceive], to consume and to destroy it unto the end. [Amplifying in brackets is mine.]

The name "church" is a name of blasphemy made by Constantine for the Catholic church, a false Bible name that mistranslated into your Bible records, made

purposely to deceive you as a Saint. Do not be deceived there is no such name as a church written just once in the entire ancient languages of the Bible. Neither is there so much as a hint to word definition of a passive name of any kind of any "Church. "
